2. Country represented the Netherlands
3. Names of those attending: Tonnis van Dam. Erik Robbers

KNOWLEDGE SHARING DETAILS

At the start of the GBN's Annual General Meeting all members will be given an opportunity to spend up to 10 minutes providing an overview of their organisation and activities. This can be done through a PowerPoint Presentation through referring to your responses below.

4. Description of your organisation (what does it do?)

Software company focusing on creating online software for industry performance and process benchmarking, surveying, employee surveys (salary, satisfaction)

5. Name up to 3 key projects or benchmarking activities you have undertaken in the last year?

Annual benchmark of financial and operational performance of financial administration offices Netherlands

Monthly benchmark of golf courses revenues and activities France

Ongoing culture benchmark of accounting firms Netherlands

6. Name up to 3 key projects or benchmarking activities you will be undertaking in the following year?

Benchmark operational, financial and remuneration performance golf courses UK

Benchmark financial performance Dentists US

Benchmark organisation and performance trade and professional associations EU

7. What are your organisation's key areas of expertise that other GBN members could learn from?

Getting reliable market data / industry data

Helping associations succeed in benchmarking their members

8. What have you done for your GBN Community this year?

none

9. What do you propose to do in 2019 for your GBN Community this year?

Provide software to GBN members to help them in getting industry data easily

10. Are there any specific things that you would like to be discussed at the GBN meeting?

Added value of GBN for organisations (not consultants)

Provide more information on benchmarking, how to do it, etc on website – promote benchmarking, knowledge base

11. What would you like to share at the GBN AGM?

I don't know yet

12. In the spirit of benchmarking and best practice sharing all members are encouraged to share/give a benchmarking 'gift' to other members. This could be a report, paper, presentation slides or just an idea on benchmarking, best practices or business excellence.

What is your benchmarking gift?

Use our benchmarking platform for free for a year. No commitments. Full support. Feedback welcome.

THANK YOU!!!
