KNOWLEDGE SHARING DETAILS

At the start of the GBN's Annual General Meeting all members will be given an opportunity to spend up to 10 minutes providing an overview of their organisation and activities. This can be done through a PowerPoint Presentation through referring to your responses below.

- 4. Description of your organisation (what does it do?)

PIQC Institute of Quality is a Center of Excellence in Quality – providing specialized educational and training programs, Certifications/Certificates, Diplomas, short courses as well as Consulting services in the field of Quality Engineering and Management and its allied subjects. Its international certifications include Six Sigma Green / Black Belt, ISO 9001 Lead Auditor; as well as professional diploma programs in Quality Assurance, Supply Chain, Software Quality Management, Human Resource Management, EHS Management, Lean Management and Outcome Based Education and Academic Quality Assurance. PIQC also provides consulting services for Implementation of Quality Management frameworks & Business Excellence Programs. It holds international conferences to share best practices in Quality.

- 5. Name up to 3 key projects or benchmarking activities you have undertaken in the last year?

Six Sigma program Deployment in Maple Leaf Cement Factory, Rafhan Maiz Co., and Ufone Telecom

.....

.....

.....

- 6. Name up to 3 key projects or benchmarking activities you will be undertaking in the following year?

Educational Excellence through Outcome Based Education in local Universities
Six Sigma Deloyment in manufacturing firm

.....

.....

7. What are your organisation's key areas of expertise that other GBN members could learn from?

Education and Training in the field of Quality Management (Six Sigma, SPC, ISO 9001, KPIs etc.) and Human Resource Management

8. What have you done for your GBN Community this year?

This is my first meeting on the invitation of Dr. Robin

9. What do you propose to do in 2019 for your GBN Community this year?

Promote GBN and Benchmarking in Pakistan

10. Are there any specific things that you would like to be discussed at the GBN meeting?

11. What would you like to share at the GBN AGM?

Just understand and listen to its proceedings

13. In the spirit of benchmarking and best practice sharing all members are encouraged to share/give a benchmarking 'gift' to other members. This could be a report, paper, presentation slides or just an idea on benchmarking, best practices or business excellence.

What is your benchmarking gift?

I would like to give complimentary registrations to two of my ONLINE courses, presently available on Udemy.com. The following each link is a registration for 50 members of GBN who may be interested in these courses:

1. Outcome Based Education & Academic Quality Assurance

<https://www.udemy.com/outcome-based-education-and-academic-quality-assurance/?couponCode=SPECIAL-GBNGIFT>

2. ISO 9001:2015 TRANSITION COURSE

<https://www.udemy.com/iso-90012015-transition-course/?couponCode=SPECIAL-GBN-GIFT>

You just need to follow the link and register in the course. In case anyone finds any difficulty, he/she may directly contact me at kamranmoosa@piqc.edu.pk

THANK YOU!!!
